

# ALEXANDER TATARAIIDZE

## EDUCATION

- PhD in Biomedical Engineering, 2017  
Bauman Moscow State Technical University  
*Thesis title:* Development of technology, hardware and software for the human sleep structure research
- MSc in Information Science and Computer Engineering, 2012  
Volgograd State Technical University
- BSc in Information Science and Computer Engineering, 2010  
Volgograd State Technical University

## RESEARCH EXPERIENCE

Remote Sensing Laboratory, Bauman Moscow State Technical University

- Junior Research Fellow, 2014 – present
- Intern-researcher, 2012 – 2014

The list of publications is available on [Google Scholar](#).

## AWARDS

Russian Federation President fellowship for PhD students and young researchers (2016-2018)

Russian Federation President fellowship for studying abroad in the academic year 2014/15

## TRAINEESHIPS

- Delft University of Technology, Nov. 2014 – Apr. 2015, Delft, the Netherlands
- Institute for Electromagnetic Sensing of the Environment, Oct. –Nov. 2013, Naples, Italy

## PROFESSIONAL AFFILIATIONS

- IEEE Engineering in Medicine and Biology Society
- European Sleep Research Society
